PRESS RELEASE

**Félix Mauron joins Miratech Advisory Board**

*February 20, 2014*

This month, Félix Mauron became a member of Miratech's Advisory Board. Currently CEO and board member at Abraxas Informatik AG, Mauron has many years of experience in finance and leadership with companies in banking and industry. Abraxas Informatik is a Swiss ICT company offering a broad range of services for public administration authorities and medium-sized enterprises. Mauron is also a board member of ICT Switzerland. His education includes certification in accounting and controlling, and a program in management and leadership at the University of St. Gallen.

Commenting on his appointment, Mauron says, "I have followed Miratech's development since the early 1990s. The company's consistent focus on quality has always impressed me and this focus is, in my opinion, one of the major growth factors for Miratech. I am pleased to apply my experience to Miratech's continued success."

Miratech CEO and acting Chairman of the Board Valeriy Kutsy says, "We are pleased to have Félix on our Board. His executive experience and Swiss market knowledge are extremely valuable assets for Miratech."
